

2021 SECONDARY TEACHER SPECIALIST (MATHEMATICS)

We are seeking an outstanding and enthusiastic Secondary educator with teaching experience in Mathematics to join our team at St John Bosco College. Our first cohort of Year 7 students commenced at the College in 2020 and in 2021 we will have students in Year 7 and Year 8. This position is a full-time ongoing position, commencing January 1, 2021.

St John Bosco College is a Catholic Co-educational College in its sixth year of operation. The College is situated in Piara Waters, a southern suburb of Perth, Western Australia. We commenced in 2015 with students from Kindergarten to Year 2. In 2020, we have 566 students from Pre-Kindergarten to Year 7, as well as an OSHC facility and an Aboriginal Families as First Educators Playgroup. Over time, we will grow to a Pre-K-12 College with our first Year 7 students commencing this year. Our innovative building design has a focus on shared, flexible learning spaces which support best practice, 21st century teaching and learning methods. Our outstanding facilities include an Early Learning Centre, Junior Primary and Upper Primary studios, grass play areas, junior oval and multi-purpose hard court play areas, enclosed Assembly Space, library, dedicated Administration and ample parking. Our stage three building program has delivered a Science Learning Centre, a two-storey Arts and Technology Learning Centre, a senior oval and multi-purpose hard court play areas and more parking.

The College motto “**JOY IN LEARNING**” is strongly exemplified in the person, life and teachings of our patron, **St John Bosco**. Our vision for this new Pre-Kindergarten - Year 12 College is creating a flourishing environment in which every student can experience the joy in learning and thrive in a Catholic learning community; where development of the whole person is of utmost importance. The mission of staff is nurturing our students so that they can become successful learners, confident, creative, and active informed citizens, who are able to contribute positively to society. Our philosophy of education at St John Bosco focuses on the image of the child, the learning process, the environment, partnerships and community.

Applications Close: Monday September 14, 2020.

Special skills are needed to be involved in a Foundation College and applications are invited from applicants who possess the following attributes:

- Be a creative, flexible and enthusiastic Secondary educator with teaching experience in Mathematics.
- Be able to demonstrate highly competent classroom management, pastoral care and learning area skills.
- Possess a sound knowledge of the Western Australian Curriculum in Mathematics.
- Provide opportunities for students to learn through an orchestrated balance of inquiry-based learning and intentional teaching.
- Possess the ability to be student-centred and infuse thinking skills into the curriculum.
- Plan and teach for learning experiences that incorporate a 21st Century learning environment.
- Have a high level of expertise in the application of digital technologies to personalise and maximise teaching and learning experiences.
- Be able to develop programs that take advantage of relevant research evidence and are refined and enhanced through reflection, analysis of data and ongoing professional learning.
- Possess a sound knowledge of educational theory and pedagogy appropriate to different student needs.
- Be able to work closely with the College Community.

ST JOHN BOSCO
COLLEGE
JOY IN LEARNING

- Show initiative and participate fully in College activities, including co-curricular programs.
- Be an enthusiastic and cooperative team person who will work collaboratively with all staff.
- Demonstrate a high degree of professionalism and excellent communication and organisational skills.
- Be supportive of the Catholic ethos of the College.

Qualifications Required:

Accreditation requirements as specified by Catholic Education WA.

Relevant four-year tertiary qualifications.

Applicants must have a current registration as a teacher with the Teacher Registration Board of WA (TRBWA) to be eligible for appointment. Information is available from <http://www.trb.wa.gov.au/Pages/default.aspx>

On appointment, successful applicants will require a Working with Children Check. Application forms are available at certain Australia Post Outlets throughout the State. A list of participating Australia Post outlets can be found on the Australia Post web site at <http://apps.nowhere.com.au/austpost/postofficelocator/>.
