

ST JOHN BOSCO COLLEGE BEHAVIOUR MANAGEMENT PLAN **“JOY IN LEARNING”**

RATIONALE

Creating a safe and supportive environment where the rights of all members of the St John Bosco College community are respected underpins the philosophy and the vision of our College. The development of appropriate and acceptable behaviour is the responsibility of students, staff and parents.

Learning appropriate behaviour is part of your child’s social development. Our staff aims to help students to be responsible for their own behaviour and to develop an understanding of what is appropriate in different situations. At St John Bosco College we believe that every student has a right to feel safe; therefore, bullying will not be tolerated.

Open communication is encouraged between staff and parents to ensure consistent behaviour expectations are met, both at home and at the College. Behaviour expectations of the students will always be clearly expressed in positive terms and reinforced consistently in a developmentally appropriate way. Students will be encouraged to settle their differences in a peaceful manner and staff will focus on modelling positive behaviour, providing praise and encouragement where appropriate. Wherever possible, problems will be prevented before they arise and a focus will be on student engagement.

MISSION

Nurturing our students to become successful learners who can contribute positively to society.

VISION

Creating a flourishing environment in which every student can thrive in a Catholic learning community; where development of the whole person is of utmost importance.

FRUITS OF THE HOLY SPIRIT

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Against such there is no law. Galatians 5:22-23

At St John Bosco College we want to enable our students to grow in resilience and social-emotional intelligence through the 'Fruits of the Holy Spirit' – joy, love, patience, self-control, kindness, faithfulness, goodness, peacefulness and gentleness. We want to strive for excellence, build emotional well-being, respect each other and provide a safe and nurturing environment.

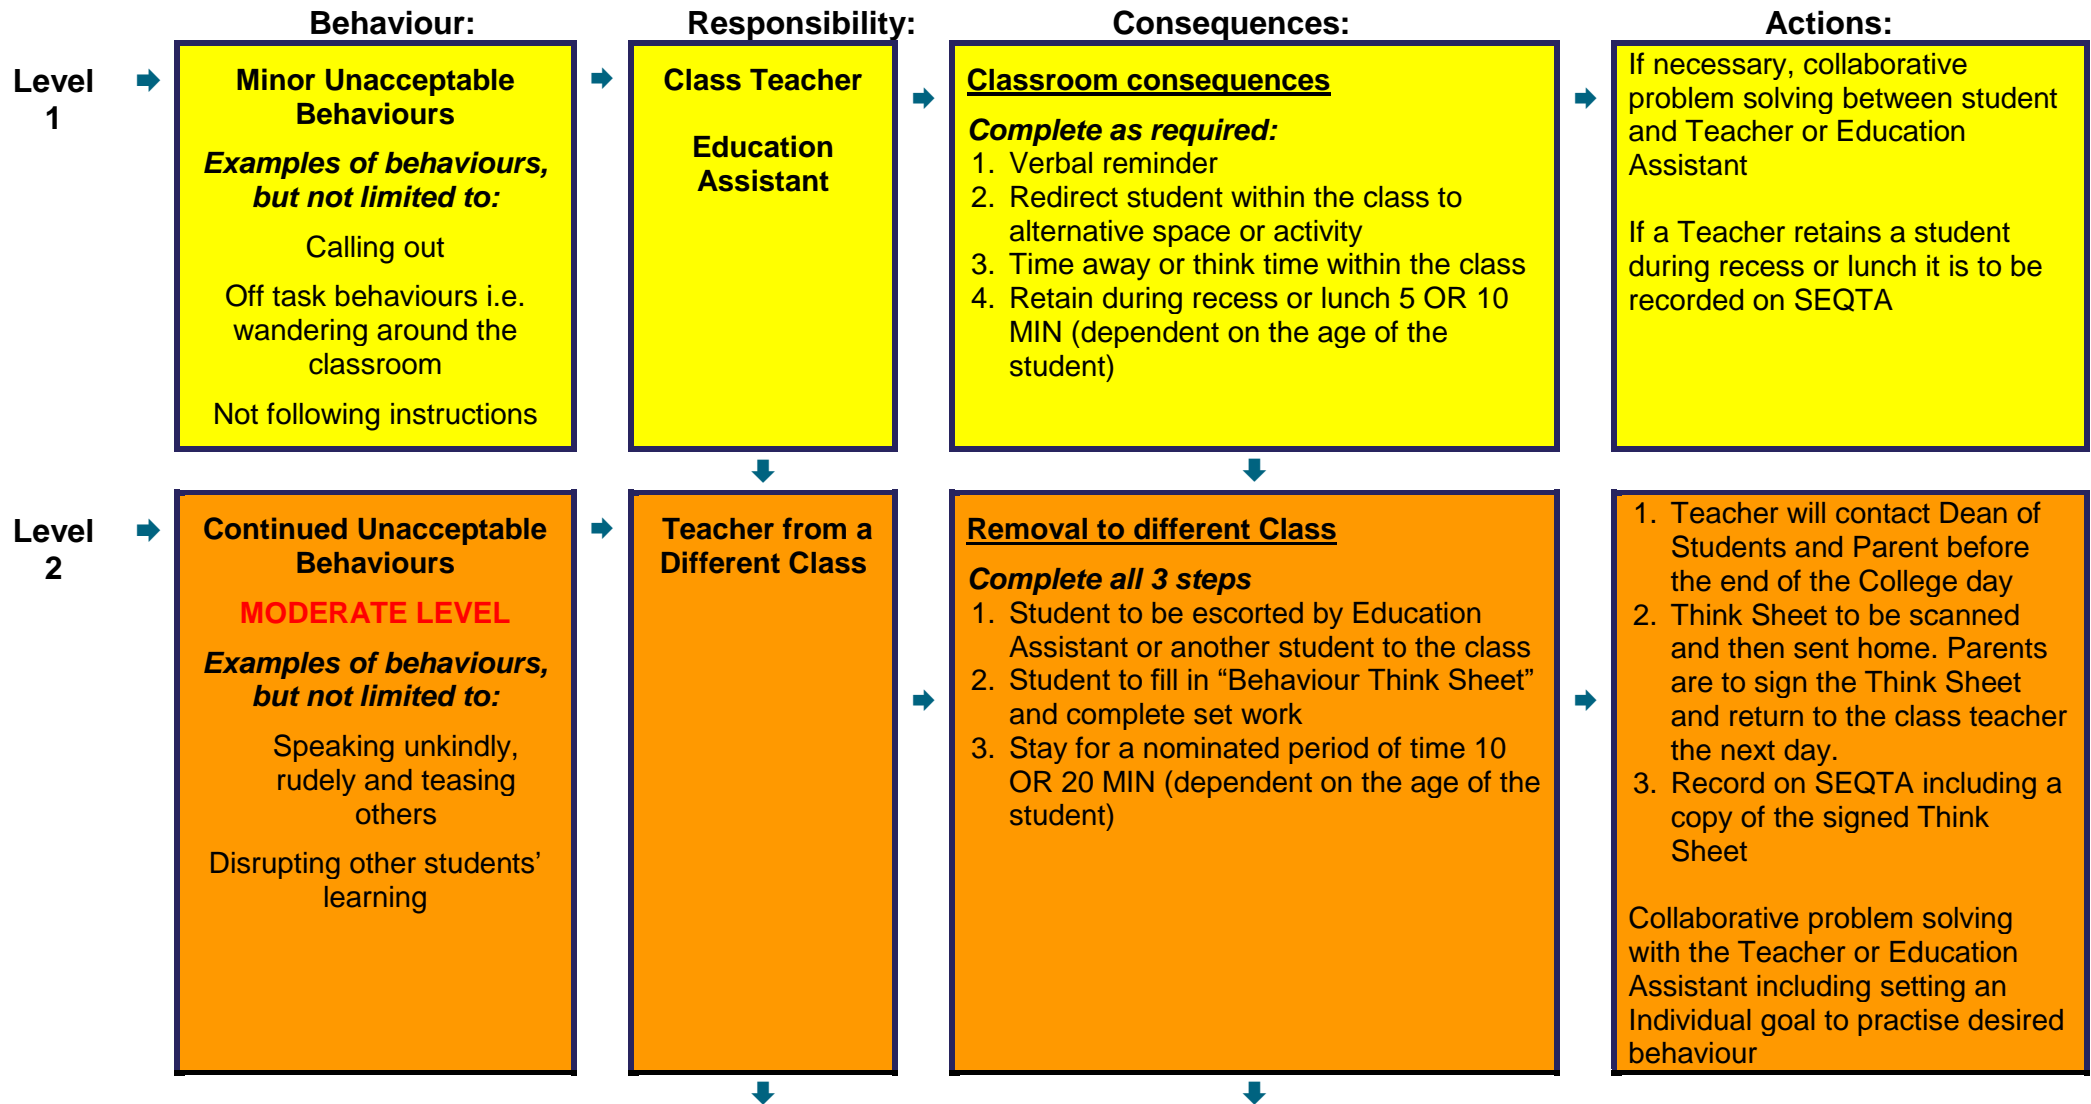

This means that the students must learn about each of the 'Fruits of the Holy Spirit' and how it should be demonstrated at our College, follow the expectations of the classroom, playground and College, and accept consequences if/when expectations are not followed.

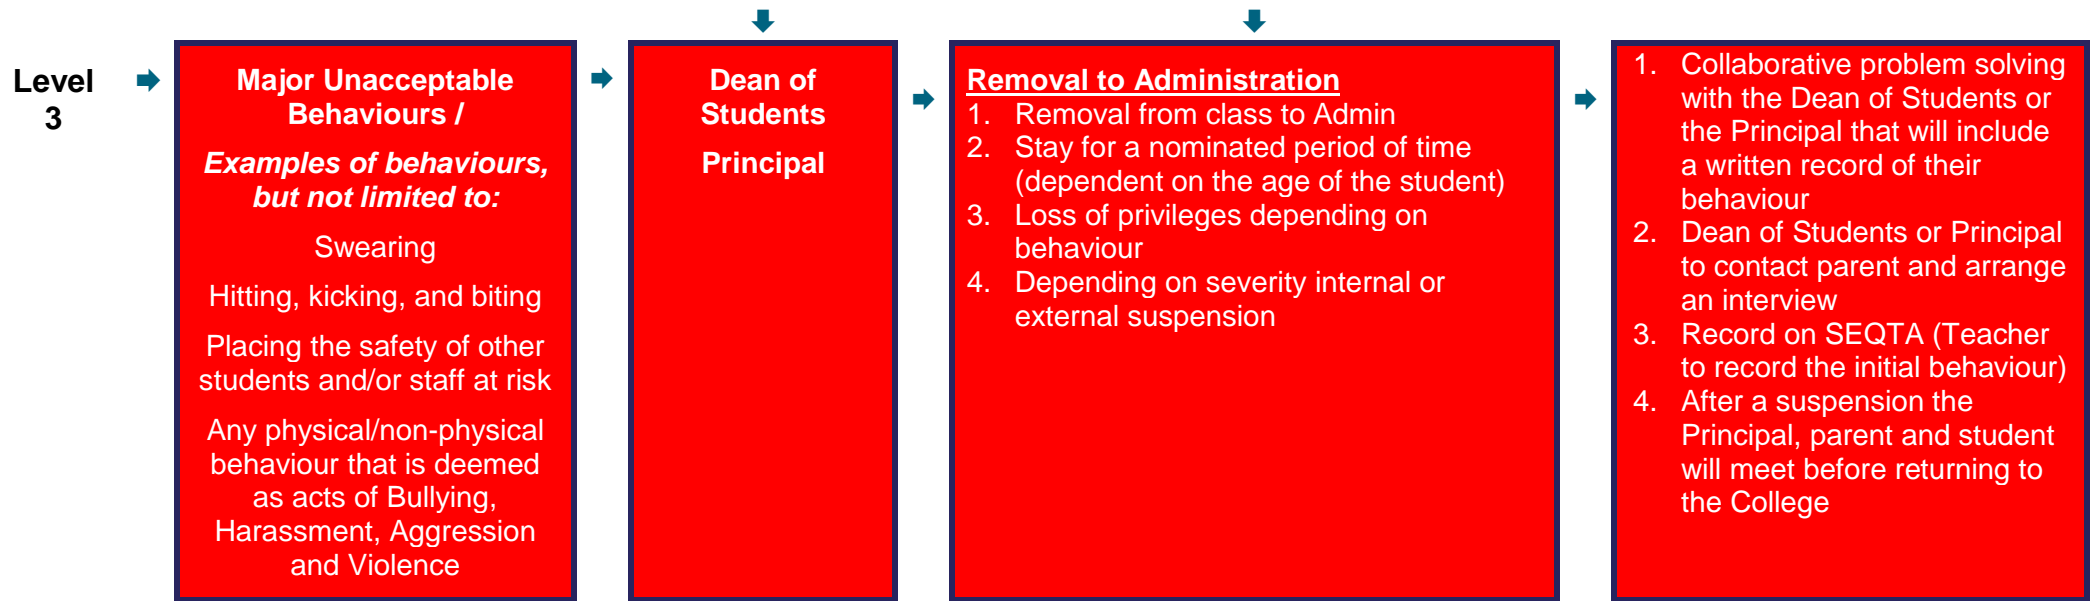

Love	this is an unselfish love like that found in Jesus Christ
Joy	this is a happiness or contentment that lasts even when there are reasons to feel sad
Peace	this is a tranquility of spirit that does not change as circumstances alter
Patience	this is not getting upset or angry when one thinks they have a reason to do so or when someone "does you wrong"; includes perseverance and not becoming upset or angered when one thinks they are right or being mistreated
Kindness	this is a kind attitude expressed toward other people
Goodness	this is doing (and being) good to other people, like the example God has given to us
Faithfulness	here the idea is faithfulness to the Lord and in what one does for Him
Gentleness	this is not having a higher opinion of oneself than one should; not getting angry easily; it is seen in our relationships with others
Self-control	this is personal discipline or control in all aspects of one's life
